

PRIMARY 7 NEWSLETTER

MRS GOURLAY & MRS GLEN

SHOWCASE AND PARENT/CARER CONSULTATIONS

Thank you to all our families who made it along to our showcase on the 22nd of February. It was lovely to see the children having the opportunity to show just how busy we have been since returning to school in January. From January onwards is a busy time in Primary 7 and the expectations of the children have most definitely increased. We hope this insight will inform our Parent/Carer consultations on Thursday 7th March. If you have not already booked an appointment, we would appreciate if you could do so as soon as possible. Thank you.

Literacy and Numeracy

The children are continuing to work on their spelling, reading and writing while utilising their skills in listening and talking daily. Weekly spelling words feature in spelling strategy tasks, group novels promote reading for understanding and develop our skills in comprehension and we have been able to recap our skills in recount writing before moving onto information reports.

Mrs Gourlay is leading our teaching in Number and Mrs Glen is focusing on the beyond number concepts. We are developing our understanding of Fractions, Decimals and Percentages, using sophisticated strategies developed through our work on Whole Number. Shape, Position and Movement is allowing us to explore shape through tessellation and rotating lines.

Book Creator

To promote independent learning, the children are creating their own book of research as part of our virtual library on Book Creator. This experience is encouraging time management, self motivation and commitment to a task.

PE

Can you please ensure that your child has appropriate clothing for PE days. A change of clothes is essential as our bodies are changing and it can lead to the classroom smelling rather tropical on PE days!! Thank you for your support!

Transition

We are beginning to think about our transition to high school and looking forward to events next term. Keep an eye on Google Classroom for updates of this nature.

UPCOMING EVENTS
