- 04.04.25 - Church Easter service
- 07.04.25- 21.04.25 - Easter holidays
- 22.04.25- Back to school

Curriculum

Numeracy and Mathematics

During Term Three our focus will be on money, shape and time. We will learn these concepts through written tasks, technological tasks and play.

Literacy

We are continuing to work through the Monster Phonics programme this term for spelling and phonics. We will also continue our weekly reading books and book related tasks in class. Information Reports and Narratives will be the focus pieces for our taught writing.

Reminders

Children are required to bring in their book bags every day to allow us to use in class, please.

Our PE Days are Tuesday and Wednesday - children require appropriate gym wear and trainers on these days. Please label children's belongings/uniform to ensure that they can be returned to them.
