### Numeracy and Mathematics

In our first term we will be working on counting, making quantities and identifying numbers up to 20. We will also be exploring the names and properties of 2D and 3D shapes, as well as patterns.

### Literacy

We have started our 6 week FLIPP programme which focuses on phonological awareness, rhyming and syllables. After this we will learn our sounds through Monster Phonics. We are following the Foundations of Writing programme which uses drawing to develop the technical skills of writing.

## Reminders

Our PE Days are Wednesday and Thursday - children require appropriate gym wear and trainers on these days. Please label children's belongings/uniform to ensure that they can be returned to them.

Primary 1 do not have homework to complete this term until they begin their phonics and reading books. We are in the process of setting up accounts for our Primary 1 children and creating a Google Classroom.
